Dear Sir/Madam,

Please be kindly informed that the Polish Embassy in London has received a letter from a Polish citizen Mr Wacek Kijewski. Mr Kijewski, claims that his book "*SI Units, Conversion and Measurement Skills*" published by Minerva Press Ltd in December 1999 (ISBN 0754105829) is still on sale at Amazon.co.uk, even though the author demanded its suspension after Minerva started its liquidation process in July 2002.

Mr Kijewski claims that he sent a number of letters and complaints demanding to stop the publication and sale of his book. From what I understand from Mr Kijewski's letter, he never got any answer to these letters. I received a response but without answers to my questions. In his letter to the Embassy, Mr Kijewski also claims that he was refused the information concerning the number of copies of his book that were sold via Amazon.co.uk. *of 11 Jan 2003 at 13 Nov 03*

Following Mr Kijewski's letter as well as the information above, I would be obliged if you would consider providing Mr Kijewski with an answer to his questions, mainly the one related to the number of copies of his book "*SI Units, Conversion and Measurement Skills*" that were sold via Amazon.co.uk.

Awaiting your response and/or comments, I remain

Sincerely yours,

Jaroslaw Jesionek  
Second Secretary
