Dear Dr Kijewski

MINERVA PRESS LIMITED – IN LIQUIDATION

I refer to your fax dated 28 November 2002.

I regret that the position is as stated in my report dated 19 August 2002, that has been previously forwarded to you. I can only sympathise with you, and countless others, of your position.

The onset of liquidation and the company's insolvency has had many regrettable consequences. You will appreciate that the circumstances are as set out in my report and I am not in a position to advise you further.

I am not in a position to correspond further as you will receive a further report on the conclusion within fifteen months of the commencement of the date of liquidation.

Yours sincerely

John Redmond
Joint Liquidator
